

**Part-time Environmental Educator (Eed)
APPLICATION DEADLINE - 8/14/17**

The Green House is an environmental education organization. Our mission is to provide environmental education to our island community through cultivating their love for the 'aina.

Project Description - *Eco Action Kids is an environmental education project of The Green House. Working with 5 schools, Eco Action Kids will support Hawaii public schools in cultivating their relationship to "Malama ka 'aina (care of the land) and Malama ke kai (care of the sea)" through creative and environmentally responsible hands-on practices that foster environmental stewardship and creative thinkers.*

Position Description - *The Eed position will be the lead teacher at 1 to 3 school partner sites, teaching and maintaining the project throughout the fall 2017 semester. This is a part-time position with potential of expanding to more work opportunities with The Green House. Trainings pre program and during the semester are required.*

Eed Tasks and Duties

- Teach subjects such as: waste reduction, reuse & school gardens
- Establish and maintain school site garden systems (compost piles, vermicomposting, watering system)
- Supervise and manage groups of students
- Prepare all needed supplies
- Troubleshoot any onsite problems and communicate with supervisor

Requirements:

- Own transportation to the school sites
- Experience and knowledge in: school gardens, composting, waste reduction, marine debris and land debris impacts
- Experience in teaching elementary and middle school ages
- Successfully attend and complete training period with TGH

- Facilitate communication with school teachers and principal through check-ins and meetings
- Be able to do physical outdoor work (lifting, shoveling, dumping, gardening etc.)

Qualifications:

- Team player
- Critical thinking skills
- Communication— talking to others to convey information effectively and in a positive manner
- Conducts self in a professional and ethical manner
- Strong work ethic

Supervisor: Karla Meek, Director, The Green House

Hours: approximately 6 -18 hours/week (depending on number of school sites)

Position starts: August 21, 2017 (training)

Compensation: \$15/hr

Interested applicants should submit their resume to Karla Meek,
