

# Increasing Community Access to Testing (ICATT) Pharmacy Program

## Background

The U.S. Department of Health and Human Services' (HHS) Increasing Community Access to Testing (ICATT) Program partners with pharmacies nationwide to provide no-cost testing with a focus on vulnerable communities.

While the ICATT mission focuses on maximizing testing for vulnerable communities, all testing sites are open to any member of the public. Since April 2020, ICATT has sponsored 14.8 million tests and more than 8,000 pharmacy sites have performed no-cost testing.

*State and local public health departments should [contact the ICATT program \(ICATT@HHS.gov\)](mailto:ICATT@HHS.gov) to learn more about how ICATT can serve communities and assist during surge situations.*

## ICATT Pharmacy Partners manage COVID-19 testing

- The HHS ICATT Team selects pharmacy testing sites, monitors pharmacy testing, and engages states to optimize testing activities.
- ICATT pharmacy partners schedule appointments, register patients for testing, collect patient samples, process tests, and report results to individuals and public health entities.

For more information, please [contact: ICATT@HHS.gov](mailto:ICATT@HHS.gov)

**CVS**  
24 locations

Laboratory-based PCR and Rapid Point of Care Testing (1, 4, 5, 7)

AZ, CA, CT, DC, FL, GA, HI, IL, MA, MD, MN, NV, NY, RI, TX, and DC

**Rite Aid**  
1,244 locations

Laboratory-based PCR testing

CA, CT, DE, ID, MA, MD, MI, NH, NJ, NV, NY, OH, OR, PA, VA, and WA

**Walgreens**  
6,167 locations

Laboratory-based PCR (2) and Rapid Point of Care Testing (1, 4)

AL, AK, AR, AZ, CA, CO, CT, DE, FL, GA, HI, IA, ID, IL, IN, KS, KY, LA, ME, MA, MD, MI, MN, MO, MS, MT, NC, ND, NE, NH, NJ, NM, NV, NY, OH, OK, OR, PA, RI, SC, SD, TN, TX, UT, VA, VT, WA, WI, WV, WY, DC, and PR

**eTN**  
617 locations

Laboratory-based PCR testing (1, 3, 4, 6)

AL, AR, AZ, CA, CO, CT, DE, FL, GA, HI, IA, ID, IL, IN, KS, KY, LA, MA, MD, MI, MN, MO, MS, MT, NC, ND, NE, NJ, NV, NY, OH, OK, OR, PA, RI, SD, TN, TX, UT, VA, VT, WA, WI, and WV

- State and local governments can contact the ICATT program for a [custom site location report](#) – ICATT@HHS.Gov
- To find no-cost ICATT testing locations:
  - Check on our partner websites: [CVS](#), [Rite Aid](#), [Walgreens](#), and [eTrueNorth](#)
  - Visit the [Castlight Health Covid Resource Center](https://my.castlighthealth.com/coronavirus-testing-sites/) - <https://my.castlighthealth.com/coronavirus-testing-sites/>
  - Do a [Google](#) search for 'COVID testing near me', by zip code, or other searchable location

1) Over the counter tests are available but not funded by the federal government  
 2) Walgreens - PCR testing is billed to private insurance or the HRSA uninsured program  
 3) eTN – Point of Care (POC) testing projected for September 2021  
 4) Adding new pharmacy sites in August and September 2021  
 5) Expanding to new states August and September 2021  
 6) Adding (POC) testing August and September of 2021  
 7) CVS locations are community testing sites; testing in CVS pharmacies is not currently funded by the federal government. CVS bills private insurance and the HRSA uninsured program for tests performed. HHS will fund testing in some CVS pharmacy locations in August and September in states where CVS testing is currently unavailable; these sites will be identified in monthly reports to states and posted to Google Maps, Castlight, CVS website, and the ICATT website.
